Dear Shari Guinta,

This year NET Canada is celebrating their 30th anniversary – 30 years of doing youth ministry in Canada! As you know, many young people lose their faith by the time they finish high school. Over the last 30 years, we have sent teams of young adults to share their faith in schools and churches so that youth will be transformed and re-engaged in their Catholic faith.

"This retreat made me realize that what I was missing in my life is God! I honestly want to have a closer relationship with Him, and fill what is empty in my life with Him. Thank you!" - Grade 11 Student

On February 27, 2025, NET Canada will be hosting a special Gala to celebrate 30 years of doing youth ministry in Canada. We are celebrating the ways that God has transformed the lives of countless youth through our ministry and we will look forward to reaching more young people through our ministry. We hope that you will take part in our events and we invite the CWL to consider becoming a sponsor of this special occasion!

Further information can be found on the attached sheet or at [NET's 30th Anniversary Gala - Sponsorship Page - Net Canada](#). Thank you for your continued support of NET and for your consideration in sponsoring our events. We will be in touch with you over the next few weeks to discuss any questions or concerns, and we look forward to seeing you at the Gala!

Respectfully Yours in Christ,

Pierre O'Reilly
Executive Director
