MEMO: Vice President Communique #1 2025

Hello to all Nova Scotia CWL members:

In June 2025, I became the duly elected vice-president of the Nova Scotia Provincial Council. I am a member of St. Joseph Council in Kentville in the beautiful Annapolis Valley in the Archdiocese of Halifax-Yarmouth. One of the key responsibilities of this position is membership. At this time, membership is key to the organization, since it is declining through members being called to their heavenly home or women not wishing to join the League. Since membership is critical to our League, Betty Colonari in her role as National Vice-President, initiated Membership Task Force for each Canadian Provinces. Each province has their own Lead and here in Nova Scotia, the Lead is Peggy MacNeil. Her committee contacted all parishes in Nova Scotia to discover if the councils need assistance to raise membership or any other issues. If requested, the committee along with the Lead were willing to meet with the council to provide direction.

On December 1st, the annual report survey is available online (<https://online2.surveymonkey.com/r/66fs1n>) to be completed by each parish council by January 31, 2026 or if you are returning the report by regular post (survey available by contacting the national office by January 12, 2026. The importance of completing the annual survey is explained in the National Vice-President Glenda Carson's Communique #2 ([Communiqué #02 – National Vice-President - The Catholic Women's League of Canada](#)). Also, a memo was sent by the national office to each parish president with instructions to complete the annual report surveys. National office is available by email or telephone to assist you if you require assistance in completing the survey.

It is my wish for each member to have a Blessed and Holy Christmas and New Year.

Your sister in the League,

Ann Myers
N.S. Provincial Vice-President
